Eri Hayes Obituary

The Athens Reporter, Leeds, Ontario, 09 AUG 1893

"Died, at Athens, on Sunday, Aug 20, Eri Hayes, aged 85 years, 6 months and 28 days.

"The brief announcement of the death of Mr. Hayes that appeared in last week's Reporter was read with deep regret by a large circle of friends and Acquaintances, and a wish having been expressed by many of our readers that a more extended notice should be given, we have procured the above very correct out from a photo, kindly lent us by the family, and from such fragmentary records as we have been able to procure, we make the following brief historical sketch of the Hayes family in general, and Eri Hayes, Jr., in particular.

"From records found in the old family bible, we learn that the Hayes family were of Scotch descent and that they emigrated from Scotland to England, and from thence to the state of Vermont, U.S., where they only remained a short time, coming on to Canada. Eri Hayes, Sr., came to this country in the year 1805 and was followed in 1806 by his father, Samuel, and the rest of the family. They soon located at the four corners (now Glen Buell). Which for nearly a century has borne the name of Hayes' Corners. Here in 1808, Eri Hayes, Jr., was born and he resided there continuously from then until 1880, when he removed to Athens, and settled on Isaac Street. Mr. Hayes was twice married, his first wife being Miss Elizabeth Wiltse, of Wiltsetown, by whom he had six sons and three daughters. On 26th November, 1814 (sic, 1874), he was married to Mrs. Catherine Johns, relict of the late Alden Johns, of Fairfield East, by whom he had one son.

"In early life Mr. Hayes connected himself with the old M.E. Church, but subsequently united with the Society of Friends, of which denomination he was a consistent member until his death. In politics. Mr. Hayes was a Reformer of the old school, ever ready to defend and uphold the principles of that party. For honesty, uprightness, and fair dealing the name of Eri Hayes was synonymous, and his advice and counsel were looked for by young and old, and many family jars and neighbourhood disputes were referred to him for settlement because of the respect all parties had for his judgement and discrimination. "Uncle Eri," as he was familiarly called, leaves behind him a named

loved by his family, revered by his acquaintances and friends, and respected by all with whom he had intercourse. His end was peace, and we trust his future will be glorious."
